

Carpenters Millwrights College Trust Scholarship

The **Joint Apprenticeship Training Committee (JATC)**, of the Carpenters Millwrights College Trust, have established a scholarship to ensure continuing participation in the trades from generations of UBC members and signatory contractors.

Three (3) scholarships in the amount of two thousand (\$2000.00) are awarded in the fall of each year to qualifying applicants enrolled in an apprenticeship program at the Carpenters Millwrights College. Only one (1) scholarship is awarded per program.

Due to the nature of the start dates of the College, and the scholarships being issued in the fall, it is possible that a scholarship may be awarded after the applicant has completed their entry level program.

Winners of the scholarships will be announced on the website at www.nlrc.ca and communicated in writing to the members on behalf of the JATC.
